I was born in Argentina and arrived in Sydney in 1963. I married Fiona in 1974 and have two daughters and a son, of whom I am very proud.

I have been a Group Leader for the Scouts, president of the Rotary Club of Welshpool, managed retail and wholesale businesses and held the position of company director.

Since moving to Wyalkatchem I have joined the museum committee, become a volunteer ambulance driver and was elected as president of the Men's Shed.

I have a deep interest in the preservation of the history of our town and am currently restoring local images to preserve them for the future. I also believe in creating a positive and welcoming environment in order to help our town grow. It is by encouraging new residents that we ensure we maintain and increase the services we currently enjoy.
