There are no Financial Implications relative to this issue.

Strategic Plan/Risk Implications:

There are no Strategic Plan/Risk Implications relative to this issue.

Voting Requirements: Simple Majority

Council Decision Number: 3523

Moved: Cr Holdsworth

Seconded: Cr Butt

That Council resolve the following:

1. Confirm the minutes as an accurate record of the Special Meeting of Council held on 5 October 2017

Vote: 5/0

6.0 Announcements by Presiding Person: Cr Davies acknowledged the passing of Mr Kevin "Hoppy" Hopkins who was a resident in town for over 22 years and well known and loved by all. He expressed his sincere condolences to Hoppy's partner Teresa and family on behalf of Council. Council has received many comments on how well the cemetery was presented for the funeral, and asked that Manager of Works Mr Craig Harris pass on sincere thanks to the works crew members who were involved in the preparations.

Cr Davies then welcomed back returning Councillors Owen Garner and Emma Holdsworth, and extended a warm welcome to Councillor Elect Heather Metcalfe. He also thanked retiring Councillors Campbell Jones and Lynsey Gawley for their contributions - they are much appreciated.

7.0 Matters for which meeting may be closed Nil

8.1 Land Use and Planning No items this month

8.2.1 FINANCIAL MANAGEMENT – FINANCIAL REPORTING – MONTHLY FINANCIAL REPORT – SEPTEMBER 2017

DATE REPORT WRITTEN:	11 October 2017
DISCLOSURE OF INTEREST:	The author has no financial interest in this
	matter.
PREVIOUS MEETING REFERENCE:	OMC 21 September 2017
	Council decision number: 3511
STRATEGIC COMMUNITY PLAN	5 – A well-managed and effective Council
REFERENCE	organization. 6 – Well utilized and effectively
	managed facilities and assets.

SUMMARY: In accordance with Regulation 34 of the Local Government (Financial Management) Regulations 1996, the Shire is to prepare a monthly Statement of Financial Activity for approval by Council.

That Council resolve the following:

1. Receive the Statement of Financial Activity for the period ended 30 September 2017.

Appendix:

1. Monthly Financial Report for the Period Ended 30 September 2017 and supporting documentation.

Background:

The Statement of Financial Activity was introduced by the Department of Local Government from 1 July 2005. The change was implemented to provide elected members with a better idea of operating and capital revenue and expenditure. It was also intended to link operating results with balance sheet items and to reconcile with end of month balances.

Comment:

September 2017 Financial Statements:

- Yearly operating revenue is \$1,567,306 inclusive of net rate income of \$1,193,465 (net of prepaid rates and discounts) 63% of Budget
- Yearly operating expenditure is \$1,089,946 29% of Budget
- Yearly capital expenditure is \$275,235 15% of Budget
- Yearly capital revenue is \$770,079 42% of Budget
- Net current assets as 30 September 2017 are \$1,602,275

Operating Revenue: Total operating revenue is 63% of the Annual Budget.

Rates: Revenue of \$1,403,207 has been raised during the Rate Run for 2017/18 and rates notices were posted out by the planned date of 21 July 2017. The total Rate Run is broken down between Rates \$1,252,111, Rubbish \$98,595, Health Levy \$15,057 and ESL Levy \$37,444. To date income received is \$1,129,925 and discounts applied equate to \$19,448. Approximately 81% of Rates have been collected to date, with \$237,163 outstanding. This compares with 80% and \$244,479, respectively, in September 2016.

Operating Expenditure: Total operating expenditure is 29% of the Annual Budget.

Capital Expenditure: Total Capital Expenditure (\$275,235) is 15% of the Annual Budget (\$1,823,181).

Net Assets: Net Current Assets as at 30 September 2017 amounts to \$1,602,275. This is in the majority comprised of Cash Unrestricted – Municipal Funds (\$1,326,655).

Consultation:

Ian McCabe Chief Executive Officer

Statutory Environment:

Section 6.4 of the Local Government Act 1995 and Regulation 34 of the Local Government (Financial Management) Regulations 1996 applies.

Policy Implications:

There is no Council Policy relative to this issue.

Financial Implications:

There are no Financial Implications relative to this issue.

Strategic Plan/Risk Implications:

There are no Strategic Plan / Risk Implications relative to this issue.

Voting Requirements Simple Majority

Council Decision Number: 3524

Moved: Cr Garner Seconded: Cr Holdsworth

That Council resolve the following:

1. Receive the Statement of Financial Activity for the period ended 30 September 2017.

Vote: 5/0

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this statement of financial activity are:

(a) Basis of Accounting

This statement is a special purpose financial report, prepared in accordance with applicable Australian Australian Accounting Standards, other mandatory professional reporting requirements and the Local Government Act 1995 (as amended) and accompanying regulations (as amended).

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 11.

(c) Rounding Off Figures

All figures shown in this statement are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables are stated inclusive of applicable GST.

(f) Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Cash Flow Statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included as short-term borrowings in current liabilities.

(g) Trade and Other Receivables

Trade receivables, which generally have 30 - 90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less any allowance for uncollectible amounts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Inventories

General

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs of necessary to make the sale.

Inventories held from trading are classified as current even if not expected to be realised in the next 12 months.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of the cost and net realisable value. Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

Revenue arising from the sale of property is recognised in the operating statement as at the time of signing a binding contract of sale.

Land held for resale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(i) Fixed Assets

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows:

(a) for the financial year ending 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and

(b) for the financial year ending 30 June 2014, the fair value of all of the assets of the local government -

- (i) that are plant and equpmets; and
- (ii) that are -

Iand and buildings; or

(II) infrastructure;

and

(c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

Council has commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

Land under Control

In accordance with Local Government (Financial Management) Regulation 16(a), the Council is required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or regional significance.

Under initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies details in this Note.

Whilst they were initially recorded at cost, fair value at the date of acquisition was deemed cost as per AASB 116.

Consequently, these assets were initially recognised at cost but revalued along with other items of Land and Buildings at 30 June 2013.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Fixed Assets (Continued)

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of comprehensive income in the period in which they are incurred.

Revaluation

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Revalued assets are carried at their fair value being the price that would be received to sell the asset, in an orderly transaction between market participants at the measurement date (Level 1 inputs in the fair value hierarchy).

For land and buildings, fair value will be determined based on the nature of the asset class. For land and nonspecialised buildings, fair value is determined on the basis of observable open market values of similar assets, adjusted for conditions and camparability at their highest and best use (Level 2 inputs in the fair value hierarchy).

With regards to specialised buildings, fair value is determined having regard for current replacement cost and both observable and unobservable costs. These include construction costs based on recent contract prices, current condition (observable Level 2 inputs in the fair value hierarchy), residual values and remaining useful life assessments (unobservable Level 3 inputs in the fair value hierarch).

For infrastructure and other asset classes, fair value is determined to be the current replacement cost of an asset (Level 2 inputs in the fair value hierarchy) less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired futer economic benefits of the asset (Level 3 inputs in the fair value hierarchy).

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

In addition, the amendments to the Financial Management Regulations mandating the use of Fair Value imposes a further minimum of 3 years revaluation requirement. As a minimum, all assets carried at a revalued amount, will be revalued at least every 3 years.

Transitional Arrangement

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy details in the *Initial Recognition* section as details above.

Those assets at fair value will be carried in accordance with the *Revaluation* Methodology section as detailed above.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Fixed Assets (Continued)

Early Adoption of AASB 13 - Fair Value Measurement

Whilst the new accounting standard in relation to Fair Value, *AASB 13 - Fair Value Measurement* does not become applicable until the year ended 30 June 2014 (in relation to Council), given the legislative need to commence using Fair Value methodology fo this reporting period, the Council chose to early adopt AASB 13 (as allowed for in the standard).

As a consequence, the principles embodied in *AASB 13 - Fair Value Measurement* have been applied to this reporting period (year ended 30 June 2013).

Due to the nature and timing of the adoption (driven by legislation) the adoption of this standard has had no effect on previous reporting periods.

Land Under Roads

In Western Australia, all land under roads is Crown land, the reponsibility for managing which, is vested in local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16 (a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16 (a)(i) prohibits local governments from recognising such land as an asset.

Whilst treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Governement (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

(j) Depreciation of Non-Current Assets

All non-current assets having a limited useful life (excluding freehold land) are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Land	Not Depreciated
Airstrip	Not Depreciated
Buildings	50 years
Furniture	3 years
Computers	2.5 years
Vehicles	5 years
Graders	8 years
Footpaths	25 years
Other Plant & Equipment	3 years
Roads, Streets & Footpaths Formation	Not Depreciated
Pavement	50 years
Seal	15 years
Kerbing	30 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immedicated to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Depreciation of Non-Current Assets (Continued)

Capitalisation Threshold

Expenditure on items of equipment under \$5,000 is not capitalised. Rather, it is recorded on an asset inventory listing.

(k) Trade and Other Payables

Trade and other payables are carried at amortised cost. They represent liabilities for goods and services provided to the local government prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(I) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

- (i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits) The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Shire has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Shire expects to pay and includes related on-costs.
- (ii) Annual Leave and Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Shire does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

(m) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(n) Provisions

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

(o) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(p) Nature or Type Classifications

Rates

All rates levied under the Local Government Act 1995. Includes general, differential, specific area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

Operating Grants, Subsidies and Contributions

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

Non-Operating Grants, Subsidies and Contributions

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

Profit on Asset Disposal

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

Fees and Charges

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

Service Charges

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies these are television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

Interest Earnings

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

Other Revenue / Income

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

Employee Costs

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Materials and Contracts

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

Utilities (Gas, Electricity, Water, etc.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Nature or Type Classifications (Continued)

Insurance

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

Loss on asset disposal

Loss on the disposal of fixed assets.

Depreciation on non-current assets

Depreciation expense raised on all classes of assets.

Interest expenses

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

Other expenditure

Statutory fees, taxes, provision for bad debts, member's fees or levies including WA Fire Brigade Levy and State taxes. Donations and subsidies made to community groups.

(r) Statement of Objectives

In order to discharge its responsibilities to the community, the Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis and for each of its broad activities/programs.

Council operations as disclosed in this statement encompass the following service orientated activities/programs:

GOVERNANCE

Details expenses related to Councils seven councillors, who normally meet the third Thursday of each month, make policy decisions, review Councils operations, plan for current and future service provision requirements and undertake necessary appropriate training and attend conferences.

GENERAL PURPOSE FUNDING

Rates - the amount raised is determined by Councils budget "shortfall" that is known income and desired expenditure.

General purpose grants - are the grant amounts paid to the shire from Federal Government funding as determined by and via the Western Australian Local Government Grants Commission.

Interest - interest earned on monies invested or deposited by Council.

LAW, ORDER, PUBLIC SAFETY

Supervision of by-laws, fire prevention and animal control. Requirements that Council carries out by statute.

HEALTH

Food quality control, immunisation, contributions to medical, health and operation of the child health clinic.

Council is a member of a group health scheme North Eastern Wheatbelt Health Scheme. Monitors food quality and caters for health requirements for the broader community.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) STATEMENT OF OBJECTIVE (Continued)

EDUCATION AND WELFARE

Assists in the provision of the Home and Community Care services, Seniors and Pensioner requirements.

HOUSING

Provides and maintains housing rented to staff and non-staff. Council is a major landlord, providing accommodation for aged, pensioner, single, married and Government Employees.

COMMUNITY AMENITIES

Operation and control of cemeteries, public conveniences and sanitation service. Provides public amenities. Owns and operates the town site deep sewerage service. Controls and maintains one rubbish disposal site.

RECREATION AND CULTURE

Maintenance of hall, the aquatic centre, library and various reserves.

TRANSPORT

Construction and maintenance of roads, footpaths, drainage works and cleaning of streets. Provision of infrastructure necessary to ensure adequate transport, communication, freight, social access routes and environmental enhancement within the shire.

ECONOMIC SERVICES

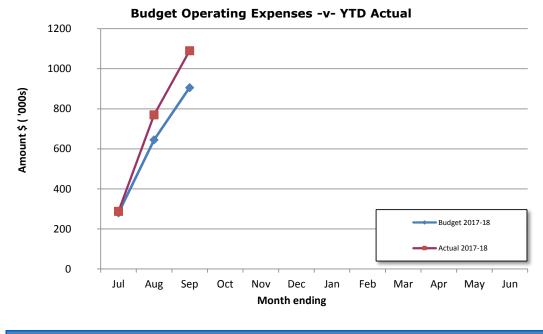

Tourism, pest control, building controls and natural resource management. Tourism facilities, information and directional signs. Weed and pest control services. Necessary building control services.

OTHER PROPERTY & SERVICES

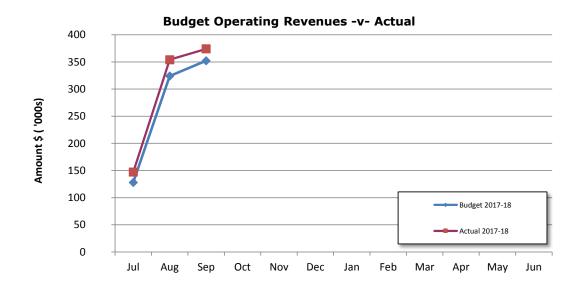

Private works carried out by council and indirect cost allocation pools.

Public Works Overheads, plant operation and administrative costs are allocated to the various functions, works and services provided by Council.

8.2.2 FINANCIAL MANAGEMENT – FINANCIAL REPORTING – PAYMENT LISTINGS – SEPTEMBER 2017

SUMMARY: This report recommends that Council receive the monthly transaction financial activity statement for the Shire of Wyalkatchem as required by the *Local Government Act 1995* Section 6.8 (2) (b).

That Council resolve the following:

1. Receive the Payment Listings as 30 September 2017.

Appendices:

- 1. Payment Listings as of 30 September 2017;
- 2. Credit Card Statement for August 2017;
- 3. Fuel Card Statement for August 2017.

Background:

Council has delegated to the Chief Executive Officer the exercise of its power to make payments from the Trust and Municipal Fund (Delegation A1). The CEO has subdelegated these payments to the Senior Finance Officer and the Governance and Emergency Officer. In accordance with Regulation 13 of *The Local Government (Financial Management) Regulations 1996,* a list of accounts paid is to be presented to Council and be recorded in the minutes of the meeting at which the list was presented.

Comment:

Pursuant to Section 6.8 (2)(b) of the *Local Government Act 1995*, where expenditure has been incurred by a local government it is to be reported to the next Ordinary Meeting of Council. Values have been rounded to the nearest dollar. Note: some fuel cards are used for more than one fuel type; i.e. diesel vehicles and the filling of small plant which may use unleaded fuels.

Municipal Account	
Total Payments September 2017	\$400,919
Total Payments September 2016	\$283,638

Consultation:

Ian McCabe

Chief Executive Officer

Statutory Environment:

Section 6.8 (2)(b) of the *Local Government Act 1995* requires that where expenditure has been incurred by a local government it is to be reported to the next Ordinary meeting of Council.

Policy Implications:

Relates to Policy Number GP2 – Purchasing Policy.

Financial Implications:

Payment of Accounts Payable as per the attached transaction statements to the value of \$400,919 for September 2017.

Strategic Plan/Risk Implications:

There are no strategic implications relative to this item.

Voting Requirements Simple Majority

Council Decision Number: 3525

Moved: Cr Butt Seconded: Cr Gamble

That Council resolve the following:

1. Receive the Payment Listing as 30 September 2017.

8.3.1 CORPORATE MANAGEMENT – PLANNING – CORPORATE MANAGEMENT PLANS – CORPORATE VALUES

FILE REFERENCE:	4.13.3
AUTHOR'S NAME	Ian McCabe
AND POSITION:	Chief Executive Officer
AUTHOR'S SIGNATURE:	ptulila.
NAME OF APPLICANT/	N/A
RESPONDENT/LOCATION:	
NOTIFICATION TO APPLICANT:	N/A
DATE REPORT WRITTEN:	12 October 2017
DISCLOSURE OF INTEREST:	The author has no financial interest
	in this matter.
PREVIOUS MEETING	Not applicable
REFERENCE:	

SUMMARY:

That Council resolve the following:

1. Endorse the corporate values of the Shire of Wyalkatchem and their use in plans and public notices.

Appendix:

No attachments to this item.

Comment:

There is a legislated requirement under the Local Government Act 1995 for local governments to have a plan for the district and compile organisational business planning.

Important components of business planning are those statements that set the tone and direction of the plans and therefore guide the users of such documenters. For example, the Shire of Wyalkatchem has a Vision statement as well as a Mission statement, referred to as 'Our Purpose.' These state where we want to be and why we do what we do.

In addition, Council has a set of Guiding Principles that set out the approach of council in making decisions. These include leaving a positive legacy for future councils; making informed decisions; and communicating effectively.

In order to connect these strategic statements to the operations of the Shire, a set of corporate values has been compiled and discussed by staff. The purpose of these statements is to make clear the 'how' of what we do is delivered. For example, 'safety first' is a key part of the work we do, as is 'respect' and 'excellence'. These values will be replicated in reporting and on

public notices such as email footers as part of communicating how we do our work.

The full statement is:

Wylie C.A.R.E.S. Community. Accountability. Respect. Excellence. Safety First.

Consultation:

Full council; All staff.

Statutory Environment:

No statute applies.

Policy Implications:

No policy applies.

Financial Implications:

No financial implication.

Strategic/Risk Implications:

This initiative is supportive of the local government's continual improvement and corporate planning.

Voting Requirements: Simple Majority

Council Decision Number: 3526

Moved: Cr Gamble Seconded: Cr Butt

That Council resolve the following:

1. Endorse the corporate values of the Shire of Wyalkatchem and their use in plans and public notices.

Late Agenda Item

SUMMARY:

That Council resolve the following:

1. To advise the CEACA Executive Officer of the Decision of the meeting that the following persons are the Member and Deputy Member representing the community of Wyalkatchem:

a. That Cr Quentin Davies be appointed the Member for the community of Wyalkatchem
b. That Mr Ian McCabe be appointed the Deputy Member for the community of Wyalkatchem

Appendix:

No attachments to this item.

Comment:

The Shire of Wyalkatchem has contributed \$14,000 in membership and \$108,800 in capital funds to CEACA (Central East Aged Care Alliance) year to date. The CEACA project is intended to build age appropriate housing and supply support services to an ageing community throughout the eleven local government areas that are members of CEACA.

The Executive Office of CEACA has requested that the Shire of Wyalkatchem nominate Member and Deputy Member representatives prior to the 1 November CEACA AGM.

Consultation:

Full council.

AND POSITION:	Chief Executive Officer
AUTHOR'S SIGNATURE:	plu-lila.
DATE REPORT WRITTEN:	11 October 2017
DISCLOSURE OF INTEREST:	The author has no financial interest in this matter.
STRATEGIC COMMUNITY PLAN REFERENCE	All key indicators

SUMMARY:

That Council resolve the following:

1. Accept the Chief Executive Officer's Report for September 2017 as presented.

Appendix:

NIL

Purpose of this report

This report is prepared by the Chief Executive Officer to provide Council and the community of Wyalkatchem with information about CEO activities and the operations of the Shire in meeting the purpose of the local government.

Our Purpose

The Council of Wyalkatchem works with the community to protect and enhance the quality of life for current and future generations.

Summary of Key Performance Indicators of the Chief Executive Officer:

• **Deliver budget commitments on time and on budget.** In leading a team, deliver capital and operational budget commitments within financial year and within budget;

• **Comply with Intergrated Planning and Reporting requirements** by the June 2018 ordinary meeting of council and publish any relevant document to the community;

- Progress key strategic projects;
- Meet all compliance requirements of the Shire;
- Meet operational requirements of the community and Council.

Comment:

Calendar:

There were 20 business days in September with one public holiday.

Unplanned leave in September totalled three work days (two persons), all within Works. This compares to one day unplanned leave in August and seven days in September 2016. In all cases of unplanned leave, the Shire follows due process with support for all employees within the law and Council policy.

The CEO took one day study leave in September. Mrs Claire Trenorden was acting CEO 1 September.

Council:

Council met in forum 7 September to receive a presentation from Sgt Tracey Print, Wyalkatchem police; to meet Team Leader, Parks and Gardens, Robert Hodges; to discuss October election; timing of October meeting; discuss the September meeting agenda; officer updates; fire readiness; state budget; timing of public events (Australia Day, Wyalkatchem Fair); Christmas shutdown and leave arrangements.

The ordinary meeting of Council was held 21 September 2017 to:

- Receive a public submission about the need for an access ramp at the post office;
- Receive statutory reports (e.g. financial reporting as required by regulation); monthly officer reports; and project updates;

• Make decisions about: development application; two community grant applications.

This year's council election was set for 21 October with nominations open 7 - 14September. There were four vacancies and a contested election was to take place 21 October. Cr's Jones and Gawley retired at this election and Cr's Garner and Holdsworth re-nominated; there were no further nominations. As there were four vacancies, Cr's Garner and Holdsworth are re-elected unopposed. Swearing-in of the new council will be at the meeting 23 October.

This meant that an extraordinary election had to be scheduled to fill two vacancies. The election date was set by the President as 18 November to meet the legislated timeline and manage other council business. Nominations for this election will be open 5 - 12 October; more than two nominations will see a contested election 18 November; any shortfall in nominations will result in consideration by Council of direct approach to community members; further difficulty in filling council vacancies could mean a reduced council size with the permission of the Minister. This would be a poor outcome for the community as a diverse membership of council ensures the community is better represented and a range of opinions are canvassed in making important decisions that affect the community. Moreover, an election that is not contested denies the wider community an opportunity to express their aspiration at the ballot box and this is regrettable.

The Council and administration of the Shire encourage all community members to participate in local democracy, by nominating for council, attending council meetings, exercising a vote or providing feedback at any forum.

Management:

The CEO represented the Shire of Wyalkatchem 6 September, with Cr Davies, at a Nungarin meeting of Central East Aged Care Alliance (CEACA); completing professional development in practical place-making with the Planning Institute of Australia, at the City of Canning (14 September); 26 September NEWROC (North Eastern Wheatbelt Regional Organisation of Councils), Executive, Bencubbin; 29 September, 'by phone, with Cr Davies, CEACA.

Key CEO meetings in September included with a business meeting with Cr Davies at National Australia Bank (Perth, 13 September); York Local Health Advisory Group (various email and phone calls); 19 September, Wheatbelt AgCare, to discuss council representation and counselling services; 19 September, with prospective councillor; and 28 September business meeting with Dr E Awogun in preparation for a new agreement for three years from February 2018.

Management work in September included various matters related to staff, facilities and community relations, regular operational work and meetings with staff. This included assessing the impact of the State Budget announced 7 September; indications are that there is a minimum negative direct impact on the local government of \$75,605 (\$43,605 reduction in direct roads funding and an unconfirmed but likely withdrawal of \$32,000 in support for the swimming pool). In addition, there are community impacts which may have a flow on to the local government; for example, the Community Resource Centre has less certainty around funding it receives form the Department of Regional Development (an 18 month time line for their funding agreement, rather than three years as has been the usual practice in the past). Of particular concern is the \$860 million diversion from value adding infrastructure and community projects funded by Royalties for Regions, now re-purposed to works traditionally associated with recurrent expenditure (such as roads, schools, and hospitals). It is entirely possible that the State Government could make further imposts on this community that will also impact on the local government. The shire administration will review the local government budget and brief council on the likely current position, how this may alter the budgeted outcome at 30 June 2018 and make any recommendations. A budget review with necessary amendments would normally be considered in March 2018 as preparation for the next budget cycle.

Forward Planning:

Council commitments in October include:

- 5 October CEO to WALGA (West Australian Local Government Association) breakfast, Perth, Minister for Transport;
- 5 October Council workshop;
- 9 October CEO annual leave (one day);
- 11 October LEMC (Local Emergency Management Committee);
- 12 October WDHS school assembly;
- 13 October CEO professional development, WALGA People and Culture seminar, Perth;
- 16 October Regional Road Group, Mukinbudin;

- 16 18 October, external audit;
- 17 October NEWROC Council, Nungarin;
- 19 October (evening) CEO to receive award as Fellow from CPA Australia, Perth;
- 20 October CEO annual leave (one day);
- 23 October ordinary meeting of Council (please note this revised date);
- 26 October CEO WALGA lunch with Director General, Department of Local Government, Sport and Cultural Industries, Perth.

STRATEGIC COMMUNITY PLAN REFERENCE	1 – Healthy, strong and connected communities. 2 – A prosperous and dynamic district. 4 – An effective voice. 5 – A well-managed and effective Council organisation. 6 – Well utilized and effectively managed facilities and assets

SUMMARY:

That Council resolve the following:

1. Accept the Governance and Emergency Report for the month of September 2017 as presented

Appendix

There is no attachment to this report.

Emergency Services

The Governance and Emergency Officer attended a District Operations Advisory Committee (DOAC) meeting in Northam on 12 September. Department of Fire and Emergency Services (DFES) made a presentation on Presumptive Legislation for Volunteers for Prescribed Cancers which will be discussed at the upcoming Bushfire brigade annual general meeting which has been scheduled for 17 October. This legislation is designed to allow access by volunteer firefighters with five years' service to access compensation in the event they contract certain conditions.

The restricted burning period began on the 19 September. A flyer was distributed to residents of Wyalkatchem via a letterbox drop shortly beforehand. As of 29 September, the Shire has not issued any burning permits.

Health and Safety

The Governance and Emergency Officer completed a trial run of the Tier 1 OSH Assessment on 1 September with the assistance of our Regional Risk Coordinator Chris Gilmour from LGIS (Shire insurer). The practice run went reasonably well and was followed up by the actual assessment on 4 September, which was completed by Jason Hall, Senior OSH Consultant from LGIS. The Shire received the report back and a meeting was held to discuss the results, with subsequent works on areas with identified gaps and room for improvement. The Shire continues to strive to provide a safe workplace for all employees.

Cleaning staff and Manager of Works Craig Harris began attending Shire administration staff meetings to discuss safety to ensure all staff are up to date on safety issues. The cleaning staff were supplied with work boots from local suppliers to help them complete their tasks safely.

An internal audit was carried out on the Shire's Material Safety Data Sheet (MSDS) folders and any out-of-date MSDS's were replaced with updated copies.

Two additional sharps bins were ordered and the emptying service arranged through current Shire contractor Cannon Hygiene. The bins will be installed in the public toilets on the main street. With the two additional bins, each toilet on site now has its own bin. Signage will be reviewed and updated to reflect the changes.

Governance

Preparation for the 2017 elections continued through September, with the nomination period opening on the 7 September and closing at 4pm 14 September. With only two nominations received (Councillors Garner and Holdsworth both re-nominated and elected unopposed), we will be holding an extraordinary election in November 2017. Advertising for the extraordinary election has begun, with a 'Call for Nominations' advert appearing in *The West Australian* on Wednesday 27 September.

A citizenship ceremony for one individual was organised during September and held following the September Ordinary Meeting of Council.

Consultation:

Northam District Operations Advisory Committee	
Chris Gilmour	LGIS
Jason Hall	LGIS
Danielle Johnston	Cannon Hygiene

Statutory Environment:

Local Government Act 1995 Occupational Safety and Health Act 1984

Policy Implications:

There is no Council Policy relative to this report.

Financial Implications

There are no financial implications relative to this item

Strategic Plan/Risk Implications

There are no direct Strategic/Risk Implications relative to this item.

Voting Requirements Simple Majority

Council Decision Number: 3531

Moved: Cr Holdsworth Seconded: Cr Garner

That Council resolve the following:

1. Accept the Governance and Emergency Report for the month of September 2017

8.4.4 GOVERNANCE – REPORTING - PRINCIPAL ENVIRONMENTAL HEALTH OFFICER: SEPTEMBER 2017

FILE REFERENCE:	13.09.01	
AUTHOR'S NAME	Peter Toboss	
AND POSITION:	Principal Environmental Health Officer	
AUTHOR'S SIGNATURE:	pelithre	
NAME OF APPLICANT/	Shire of Wyalkatchem	
RESPONDENT/LOCATION:		
DATE REPORT WRITTEN:	12 October 2017	
DISCLOSURE OF INTEREST:	The author has no financial interest in this	
	matter.	
STRATEGIC COMMUNITY PLAN	1.1.2 Promote regional health solutions; 2.6	
REFERENCE	Effective enforcement of local laws and	
	regulation; 5.2 A customer focussed	
	organisation.	

SUMMARY:

That Council resolves the following:

1. Accept the Principal Environmental Health Officer Report for September 2017 as presented.

Appendix/Appendices: There is no attachment to this report

Comment:

Principal Environmental Health Officer (PEHO) Position:

The Environmental Health Officer attends the Wyalkatchem office each Thursday.

Food Shop and Public Buildings Inspections:

Nil

Food Recall:

The Department of Health (WA) has distributed the following food recalls in September and early October. The products are;

• Betel Nut in plastic bag package and various weights of 4 nuts per packet.

The reason for recall has been stated as others (sale of prohibited food).

• Pate (Single selection Classic Original) in plastic container package and 125g package size with the use by date being 23/10/2017.

The recalled was due to the presence of an undeclared allergen (fish). The products have been available for sale in retail outlets such as IGA and Independent supermarkets throughout Australia. The local IGA has been visited and advised of the recall products.

Food Safety Training:

The "I'm Alert" on-line food safety training subscription has been renewed. This online tool is been automatically activated and is now ready for food handlers and other interested parties. This is a great self-training program that allows residents of our shires to log onto the web site, do an hour or two of food safety training, answer questions as they go and to finish up printing out a certificate.

This is particularly useful for our new food business owners and casual staff to get their staff trained in basic food safety which is a requirement of the Food legislation.

Waste and Recycle 2017 Conference:

The PEHO attended the Waste and Recycle 2017 Conference 13 - 15 September 2017 in Perth. The conference was successful and it covered diverse range of issues such as the new container deposit scheme program, littering and illegal dumping, recycling of plastic and E-Waste. There was also a session discussion on standards of rural and regional landfills where the panellists stressed the need for improvement in management and waste recovery.

Property Transfer:

The PEHO has completed one property transfer report in the last month.

Consultation:

Mr Ian McCabe, Chief Executive Officer Ms Ella McDonald, Administration Officer - Governance and Emergency

Statutory Environment:

Public Health Act 2016 Health (Miscellaneous Provisions) Act 1911 Food Act 2008

Policy Implications:

There is no Council Policy relative to this issue.

Financial Interest:

There are no Financial Implications relative to this issue.

Voting Requirements: Simple Majority

Council Decision Number: 3532

Moved: Cr Gamble Seconded: Cr Holdsworth

That Council resolves the following:

1. Accept the Principal Environmental Health Officer Report for September 2017 as presented.

8.4.5 GOVERNANCE – REPORTING – OFFICER REPORTS TO COUNCIL – COMMUNITY AND ECONOMIC DEVELOPMENT OFFICER– September 2017

FILE REFERENCE:	13.09.01	
AUTHOR'S NAME	Tegan McCarthy	
AND POSITION:	Administrative Officer	
AUTHOR'S SIGNATURE:	Shie	
DATE REPORT WRITTEN:	10 October 2017	
DISCLOSURE OF INTEREST:	The author has no financial interest in this matter.	
STRATEGIC COMMUNITY PLAN REFERENCE	1 – Healthy, strong and connected communities. 2– A prosperous and dynamic district. 4 – An effective voice. 6 – Well utilised and effectively managed facilities and assets.	

SUMMARY:

That Council resolve the following:

1. Accept the Community and Economic Development Officer's Report for the month of September 2017 as presented.

Appendix: NIL

Comment:

School:

I attended a meeting at the Wyalkatchem District High School 6 September and met with Principal Colin Fergusson, Acting Deputy Principal Julie Duthie and the Student Leadership Group to discuss a social dance for years 7 to 10 to be held at the Town Hall. The students want to invite surrounding high schools to Wyalkatchem for a dance and social gathering as there may be students from surrounding towns going to attend the same schools in Perth. The students are going to be doing some fund raising to cover costs of the evening and asked if the Shire would donate the hire of the hall, which has been authorised by CEO Mr Ian McCabe. The students were over joyed with the support from the Shire. The dance is to be held on 10 November 2017. The Student Leadership Group have also said they would like to help with community service. The students said they are happy to help with picking up rubbish around town, planting trees to beautify parks, or cleaning up around the tip to help make it fire safe. A programme will be agreed with the school shortly.

Sports and Recreation:

Letters have been sent to sport clubs who are significant users of the Shire of Wyalkatchem Recreation Centre inviting them to join a working group, which will advise Council on future planning for this facility. Nominations by the clubs close 31 October and one response has been received as at 10 October.

<u>Tourism:</u>

The Pioneers Pathway tourism scheme held a meeting 27 September at Goomalling. An Executive Officer position for the tourism scheme will be advertised in the seven community local papers and on shire and CRC Websites with proposed work hours reduced from 8 hours to 6 hours per week. This is due to the cost of travel not being included in budgeting for the role. Applications close Monday 16 October.

Major recent expenses for the scheme included:

- Central Wheatbelt Visitors centre membership renewal for 2017/18 was renewed at a level 1 (\$187, GST inclusive);
- Australia's Golden Outback holiday planner collaborative marketing was agreed to continue marketing (\$665, GST inclusive).

Consultant Wayfound made a presentation on website content but no decisions were made. An online interactive map for the website was rejected due to cost (at \$2,145 it was decided to instead use Trails WA's map at no cost).

There was discussion about whether a historian should be hired to collect information on each town to create uniform website content. No decision as yet although a grant application may be made.

Consultation:

Julie Duthie	Wyalkatchem District High School
Tahnee Bird	Shire of Goomalling (Pioneer's
	Pathway)

Statutory Environment:

There is no statutory environment relevant to this issue

Policy Implications:

There is no Council Policy relative to this report.

Voting Requirements Simple Majority

Council Decision Number: 3533

Moved: Cr Butt

Seconded: Cr Holdsworth

That Council resolve the following:

1. Accept the Community and Economic Development Officer's report for September 2017 as presented

9. Motions of which previous notice has been given Nil

10. Questions by members of which due notice has been given Nil

11. New business of an urgent nature introduced by the presiding person: Cr Davies said he would like to acknowledge that Shire employee Tegan McCarthy had announced her recent engagement to Avery Maitland and Shire employee Ella McDonald had also announced her engagement to Kerran Furniss this week. He congratulated both couples and said it was great to have them settling in Wyalkatchem to start their lives with their respective partners.

12. Matters for which the meeting may be closed Nil

13. Closure of Meeting 4.21pm
