Council's Vision

That Wyalkatchem is an inclusive, dynamic community where all share in a thriving economy and a sustainable, safe and valued environment

Our Purpose

The Council of Wyalkatchem works with the community to protect and enhance the quality of life for current and future generations.

Stormwater Drainage

Drainage works in Gamble Street are progressing well and the Shire appreciates the patience being shown in response to the traffic management we've had in place.

The works at the corner of Flint and Gamble Streets is complete for the time being with tidy up required to the verge and paths and the laying of bitumen to be completed the next time Council mobilises contractors.

In its current state the road level is quite severe when travelling east/west along Flint Street. In the meantime, please take care at this intersection. The severe angles will be smoothed out once the bitumen is laid.

Work at the Gamble/Railway Tce intersection should be complete by the end of next week.

These works have been completed thanks to grants received from the Federal Government and the state Department of Water and Environmental Regulation. A variation to the contract is under consideration to improve drainage at the corner of Thurstun St and Railway Tce. A decision to proceed will depend on the availability of grant funds following the conclusion of the current works.

ENROLLING TO VOTE

WALGA

WORKING FOR LOCAL GOVERNMENT

BE A VOCAL LOCAL

You may be eligible to be enrolled to vote in the following in-person Local Government elections on 16 October 2021 if you live in or are an owner or occupier of rateable property in the district of the relevant Local Government.

Residents

You are automatically enrolled to vote if you are on the State Electoral Roll as at 5.00pm 27 August 2021. If you are not already on the State Electoral Roll but meet the eligibility criteria for this Roll, you can enrol online at www.aec.gov.au. Alternatively, enrolment forms are available from Post Offices, Australian Electoral Commission offices or the West Australian Electoral Commission www.elections.wa.gov.au. Forms must be completed and received by a Divisional Returning Officer of the Australian Electoral Commission in Western Australia by 5.00pm Friday 27 August 2021.

Non-Resident Owners and Occupiers

If you are a non-resident owner or occupier of rateable property in your Local Government area and are on the State or Commonwealth Electoral Roll, you are eligible to enrol to vote and should make an enrolment application to the Local Government. If you are not on the State or Commonwealth Electoral Roll and own or occupy rateable property in a particular Local Government, you may be eligible to enrol to vote if you were on the Local Government's last electoral roll prior to May 1996. Please contact the particular Local Government for details. Owners of land who were on the last roll of the Local Government continue to

Occupiers do not have continuous enrolment and should contact their particular Local Government to confirm their enrolment status. To be eligible to enrol as an occupier, you will need to have a right of continuous occupation under a lease, tenancy agreement or other legal instrument for at least the next 3 months following the date of the application to enrol.

Joint Owners and Occupiers

If a rateable property is owned or occupied by more than two people, a majority of the owners/occupiers may nominate two persons from amongst themselves who are on either the State or Commonwealth Electoral Roll, to enrol as owner/occupier electors.

Corporations

A body corporate that owns or occupies rateable property may nominate two people who are on either the State or Commonwealth Electoral Roll to enrol as owner/occupier electors.

Enrolment Forms

Enrolment claim forms can be obtained from Local Governments and should be lodged with the particular Chief Executive Officer by 5.00pm Friday 27 August 2021. If you registered for the 2019 elections or since that time you do not need to register.

Streetscape Project

Things have been quiet over the last few weeks in respect to this project as the consultants (Ecoscape) conclude the main body of their detailed design.

The Shire expects to receive design documentation within the next few days and this will trigger another working group meeting.

Please watch this space.

Once the detailed design is agreed by the Working Group & Shire Council it'll be time to turn our attention to construction activity and to implementing the first stage of the agreed improvements.
