Wyalkatchem invite you to have morning tea with us.

Please RSVP by 10th June 2024 to Nikki at  
Wyalkatchem Shire on 9681 1166

# WORKS

This has been a super productive week in town, especially since the Town Entry Signage was installed. (Thank you, Perth Signage).

Reconciliation Week was 27 – 3 June, when the Shire could fly the Australian Aboriginal Flag alongside the Australian flag at the Shire Office on the newly installed flag poles.

Adding a concrete ramp joining the ACROD carpark to the paving has greatly improved the Shire Administration's access. Parks & Garden staff member Simon Ozanne, has done a wonderful job replacing the surrounding paving that had to be disturbed.

The steps on the Goods Shed have been replaced thanks to our maintenance man Gary, and footpath repairs have now been completed in several streets in town.

Annual tree pruning in the Shire, as required by Western Power has been completed.

The Garden crew have commenced the green waste collection and will also be pruning trees along the way. Check the green waste collection for your street collection dates and make the most of this service.

Staff attended Traffic Management Training with the Shires of Mt Marshall and Tammin
