Council's Vision

That Wyalkatchem is an inclusive, dynamic community where all share in a thriving economy and a sustainable, safe and valued environment

Our Purpose

The Council of Wyalkatchem works with the community to protect and enhance the quality of life for current and future generations.

Update Of The COVID-19 Advice To All Community Member From Your Council

We are still receiving strong advice from the Government and Health Authorities that we need to be extremely cautious and not complacent over the coming weeks, probably longer.

The strong message is to restrict unnecessary movement and any interaction with other people as much as possible. Unnecessary movement may mean:

- Driving within our region to other towns to visit family or complete shopping.
- Going to a common meeting place to visit people from other households.

These are non-essential.

Our local businesses are providing an outstanding service to our community,

Please consider taking up the offer of pre-ordering and home delivery.

Now is the time to support those that are supporting you.

Just remember, these are things that you are permitted to do, however, what you really need to do is stop and decide:

- Is what you are doing absolutely essential?
- Is there another option?
- Who are you putting at risk, other than yourself?

Please - resist the temptation to have gatherings and do not travel unnecessarily.

Just STAY HOME.

We know it's not going to be easy, but we're all in together.

We need everyone's help to keep our community safe.

Quentin Davies
SHIRE PRESIDENT

stop the spread!

Community Update

as at
31/03/2020

The Government of Western Australia has declared a State of Emergency and a Public Health Emergency in response to the COVID-19 outbreak.

There are now directions under the Public Health Act and the Emergency Management Act on various topics e.g. business closures, mass gatherings and self-isolation. The Shire continues to be updated daily by relevant Government agencies and is making decisions for the safety, health and well-being of our community, customers and employees based on the recommendations and/or directions.

We have stepped up our preparedness and have put in control measures designed to reduce the speed of the virus, including increasing our cleaning regime of public facilities and infrastructure.

Council Facilities

As of 30 March 2020, Council has closed the following facilities:

- Shire Office
- Town and Korrelocking Halls and ablutions
- Playgrounds
- Recreation Centre and ablutions
- Terminal Building
- Swimming Pool
- Drinking fountains
- Barbecues
- Public Toilets

The Shire Office is closed to public access unless an appointment has been made. Please contact the Shire Office if you wish to make an appointment by phone [96811166](tel:96811166) or by email general@wyalkatchem.wa.gov.au. Do not come to the office if you don't have an appointment, are unwell, or showing any symptoms of being unwell. All approved visitors will be required to adhere to social distancing and maintain good hygiene measures. Many Shire enquiries and payments can be made by phone or online, and we ask that you use these options wherever possible.

help us, help you

Workforce

The Shire has taken preventative measures within its workforce; including staggered workforce and working from home. Your patience during this time, as we work through implementing our processes, would be greatly appreciated.

Where possible, outside staff are continuing with planned works and maintenance. Staff are practicing social distancing and we would ask that you respect these practices and refrain from approaching them directly.

This is all essential services, and all that we ask is that you avoid interaction with our staff, and help stop the spread of COVID-19.

Services

Waste collection services are currently operating as normal. Avon Waste has continuity plans in place to limit disruptions to these services.

The Shire of Wyalkatchem is currently developing our own continuity plans, to ensure that we can continue to provide critical services to our residents.

Meetings

Councillors are meeting regularly via teleconference and taking pro-active steps in our assessment of our risks and response and has implementing a response and recovery strategic framework. This framework focuses on three main tiers; 'Public Health', 'Our Business' and 'Our Community'

Council continues to liaise with key stakeholders local, regional and state to ensure that it is kept up to date with the latest information and that decisions are being made in the best interest of the well-being of our community.

Councils Local Emergency Management Committee is meeting to discuss local and regional issue and jointly monitoring developments.

Keep Yourself Updated

Residents are encouraged to keep abreast of the updates being provided from the relevant State Government Departments and continue to take the necessary precautions as advised by our health professionals.

Neighbour to Neighbour Project

The situation with the Coronavirus (COVID-19) is changing daily. The Government and the Health Authorities are giving strong directions to everyone to help slow the spread of this virus. The message is clear: STAY HOME, unless for essential purposes.

On Sunday 29 March 2020, the Prime Minister's press conference included strong advice that people aged 70 and over should stay home and self-isolate for their own protection to the maximum extent practicable. these arrangements should also apply to those with chronic illness over 60 and Indigenous persons over aged 50.

To support people staying home, the Shire has launched the Neighbour to Neighbour Project, which will provide a number of services within Wyalkatchem to enable residents to stay at home. Refer to the flyer for more information.

STIMULUS PACKAGE - JOBKEEPER PAYMENT

https://www.ato.gov.au/general/gen/JobKeeper-payment/?=redirected_JobKeeper

To receive the JobKeeper Payment, employers must:

- Register an intention to apply on the ATO website;
- Provide information to the ATO (and continue this on a monthly basis) on eligible employees. This includes information on the number of eligible employees engaged as at March 1 2020, and those currently employed by the business (including those stood down or rehired);
- Ensure each eligible employee receives at least \$1500 per fortnight (before tax). Employees that were already receiving this amount from the employer will not have their income changed. Employees receiving less than \$1500, the employer will need to top up the payment to \$1500 before tax.
- Notify all eligible employees that they are receiving the JobKeeper Payment.

Employers will be eligible for the subsidy if their business has a turnover of less than \$1 billion and their turnover will be reduced by more than 30 per cent or 50 per cent relative to a comparable period a year ago (of at least a month) and they are not subject to a major bank levy.

CHIEF EXECUTIVE OFFICER

Public Notice - DAIP

Call for Submissions on the Disability Access and Inclusion Plan Review

The Shire of Wyalkatchem is seeking feedback on all aspects of its draft Disability Access and Inclusion Plan (DAIP) for 2020 - 2025. The DAIP sets out the Shire's commitment to making our community a welcoming and inclusive place for everyone to enjoy.

The aim of the DAIP is to provide a framework to improve access for all people in the community in relation to the following areas:

- Services and events,
- Buildings and facilities,
- Information,
- Customer service,
- Complaints,
- Community Engagement, and,
- Employment.

The draft DAIP is available by contacting the Shire Office by phone **96811166** or by email **general@wyalkatchem.wa.gov.au**.

Written submissions about the review of the Disability Access and Inclusion Plan may be made to the Chief Executive Officer, by Friday 17 April 2020, by email **ceo@wyalkatchem.wa.gov.au**

Why do we have a DAIP?

- It is required under the Disability Services Act 1993.
- It assists LG's to ensure people with disabilities, the elderly, young parents, parents with prams and well as people from culturally and linguistically diverse backgrounds have access and inclusion across Council controlled buildings, facilities and services.

Why is the Shire conducting public consultation?

- The Shire is keen to hear from its community and speak with those with needs to ensure they have access and inclusions across the whole Shire.

What are the key elements?

- Services and events,
- Access to buildings and facilities,
- Receiving information,
- Quality of service provided by the town,
- Opportunity to provide feedback/complaints,
- Participate in consultation processes,
- Access to employment.

How can I get involved with improving access and inclusion in the community?

- Provide written feedback of the draft DAIP
- Phone the Shire for conversation about access and inclusions.

Flu Vaccinations

The Wyalkatchem Medical Centre is offering **FREE** Government funded influenza vaccines for **children 10 and under**, those **over 65 years** old, and **all aboriginals**.

For those who do not fit this category, and who wish to have the influenza vaccine, please ring Raj at the Happy Pill Pharmacy on **9681 1547**.

The Medical Centre is open as normal, however, are making changes to the way they practice to ensure the safety of all patients and staff.

For the time being, you can organise face to face, phone and video calls. The staff will advise you of the best method when making your appointment, depending on your needs.

The Wyalkatchem Medical Centre can be contacted by phone on **9681 1140**, or by email at **wyliemc@outlook.com**
